

PURIFYING CREAM GEL FOR MEN

- Green cream-gel
- Packaging: pump-bottle
- **SIMULGEL™ NS** provides a fresh and melting texture, perfectly adapted to men
- **SEPIMAT™ H 10** delivers a velvety finish
- **SEPICONTROL™ A5** purifies oily –prone skin
- One step process achievable with a cold process

EU06823CS - 1602

Formula

A	Aqua / Water SEPICONTROL™ A5 SIMULGEL™ NS	QSP 100% 3.00% 5.00%
B	Ethylhexyl Palmitate SEPIMAT™ H 10	6.00% 2.00%
C	Phenoxyethanol & Ethylhexylglycerin Fragrance Color	0.50% 0.10% 0.07%

Procedure

Disperse **SEPICONTROL™ A5** in water then add **SIMULGEL™ NS** under turbulent mechanical agitation (approximately 1200 rpm– 10 minutes). Gradually add the **SEPIMAT™** pre-dispersed in the oily phase, maintaining agitation. Once the gel is homogeneous, add the preservatives and the fragrance. Turbulent agitation is maintained throughout production.

Characteristics

Appearance	Green Emulsion
pH	5
Viscosity 1M at RT	42 000 mPa.s BROOKFIELD S4S6
Stability*	Stable at room temperature/40°C/50°C Stable after centrifugation at 50°C for 20 minutes at 3000rpm

Raw materials from SEPPIC

SEPIMAT™ H 10

Methylmethacrylate Crosspolymer

Ultra-soft, non-drying microspheres. By virtue of the high dispersion coefficient of Sepimat™ CP 5 in water, levels of 10 to 15% - and thus a full, powdery feel—can be obtained without any clumping problems.

SIMULGEL™ NS

Hydroxyethylacrylate/Sodium Acryloyldimethyl Taurate Copolymer & Squalane & Polysorbate 60

Thickening and emulsifying agent, **SIMULGEL™ NS** is very easy to use in liquid form (neither pre-dispersion nor neutralization). It provides a sensation of freshness followed by a melting effect on the skin (velvety softness feeling). **Simulgel™ NS** perfectly stabilizes emulsions made at high temperatures.

SEPICONTROL™ A5

Capryloyl Glycine and Sarcosine and Cinnamomum Zeylanicum bark extract

Active ingredient for oily skin. It aims to regulate the five elements that may cause skin imperfections: bacterial proliferation, lipases, 5 α-reductase, inflammation, elastases and free radicals. The skin becomes clearer, less oily and is free of imperfections.

Other raw materials...

- Phenoxyethanol & Ethylhexylglycerin: **Euxyl 9010 (S&M)**
- Parfum : **Parfum Tonique (QUEST)**
- Colorant : **Unicert Green 06503J (1%) (SENSIENT LCW)**
